

# "Tie" Easy Instructions

1. Assemble pattern pieces :

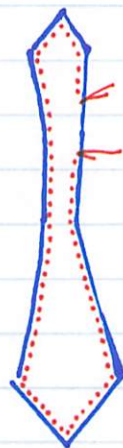

2. Lay out pattern on fabric and cut :

cut 1x from  
lining fabric

cut 1x from  
outer fabric

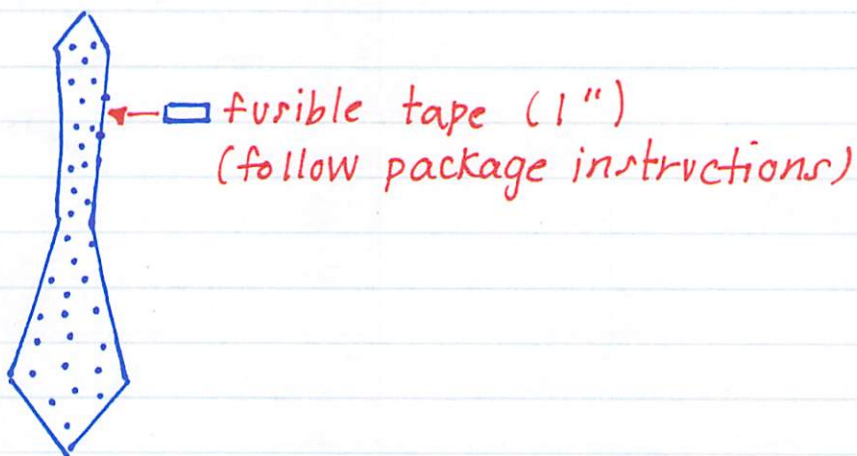

3. With RS together, pin and sew the two pieces together:

leave a 2" opening for turning  
use a 1/4" seam allowance

clip corners / points

4. Turn right-side out and cut a 2" piece of fusible tape to seal the opening shut:

5. With the lining/back side facing up, place a strip of fusible tape down the middle:

6. Fold the sides of the tie inward to meet in the middle and fuse down according to package instructions:
